The FBO website will enter a "data freeze" beginning on Nov. 8. During that freeze, no new procurement data will be uploaded to the site as it is fully decommissioned over the holiday weekend. Beginning on Nov. 12, all federal procurements will be posted on beta.SAM.gov under the "Contract Opportunities" tab. To ensure vendors have no gaps in functionality or performance, read the [Contractor Quick Start Guide](#). For current Federal users, you can now migrate your FBO.gov roles to beta.SAM.gov. For more information, please read the [Federal User Transition Quick Start Guide](#).
